I understand that my ministry with NPS is one that is reflective of who I am in the community and as a musician. I will do my best to be prepared personally and musically for each ministry event in a way that will benefit the Kingdom of Christ. I understand that I should pay \$20.00 annual dues to be a part of NPS ministry. I understand that though this is a volunteer ministry, I should make each pre-scheduled event a priority in my schedule as a musician for Christ.
